WasntMe.Party

Equally Authentic, LLC · U.S. Marine Corps Veteran-Owned Business

Personalized Enterprise Experiences: all-digital interactive team-development programs.

Company overview

Equally Authentic, LLC, operating as WasntMe.Party, develops and delivers digital interactive mystery experiences and customized group engagement programs. Its platform combines interactive storytelling, role-based participation, collaborative challenges, and digital experiences designed to encourage communication, teamwork, critical thinking, and problem-solving. The company is expanding these capabilities into personalized corporate, educational, and organizational team-development experiences.

Core competencies

- Facilitated, all-digital team-development programs (Mission Lab™ library of 8 programs)
- Structured learning objectives connected to each activity and debrief
- Optional anonymous pre- and post-event participant reflections
- Facilitator guides, discussion questions, and post-event debriefs
- Team Impact Report™ built from recorded session and reflection data
- Customized experiences: organization identity, logo, team and character names, difficulty, and English, French, or Spanish
- Original interactive storytelling and mystery content

Differentiators

- Interactive experience design, not lecture-based training
- Runs in person, by video call, or hybrid on phones and computers, with no app to install
- Privacy-first: nickname-only participation, anonymous reflections, data isolated by organization, 12-month retention
- Fictional, organization-appropriate scenarios with no violence required
- Transparent pricing by participant limit, from $249 per event
